

OUR HISTORY

The 52-acre site of The Presbyterian Home of Hawfields was given by Mrs. Mary White Scott, wife of former Governor Kerr Scott and mother of former Governor Bob Scott, to Hawfields Presbyterian Church for development as a retirement center. When the corporation was formed, the church deeded the property to the corporation, and the Home operates today as a Not-For-Profit Corporation.

While the initial funds were donated by local churches, currently the Presbyterian Home of Hawfields is independent and not affiliated with any Church. Operating as a Not-For-Profit Corporation, and private donations are tax deductible as allowed by law. A volunteer Board of Directors, made up of individuals from the local area, oversees operations.

Call the Presbyterian Home of Hawfields to make an appointment to tour the facility and have any questions answered.

Center

ABOUT US

We have been serving others for over 30 years providing Long Term Care, Short Term Rehabilitation and End of Life Care. Retirement living that respects the dignity and individualism of its residents- that's the Presbyterian Home of Hawfields! Open to residents of all faiths, the Home offers Independent Living and Nursing Care in semi-private and private rooms with Cable, and Wireless Internet. It's a place to continue old friendships and begin new ones.

At the Presbyterian Home of Hawfields, honoring the life cycle is paramount! Our Home is a family oriented facility where we encourage all generations to be involved in life experiences. All generations enjoy the anticipation and excitement of watching each process of the Monarch Butterfly life cycle. The facility's hope is to make residents life journey just as exciting!

REHABILITATION

Physical Therapy

Evaluation and Treatment of deficits in functional mobility, pain, community reintegration, strength, range of motion, and neurological deficits.

Speech Therapy

Evaluation and treatment of disorders in swallowing, speech, language, and cognition.

Occupational Therapy

Evaluation and Treatment of disorders in completing activities of daily living, visual/perceptual disorders, pain, strength, and range of motion.

OUR SERVICES

24 Hour Nursing Services

We have nurses on staff in order to provide around the clock care for our Residents who require nurse-level care. Our nurses are always available to promptly respond to any urgent need that may arise for any of the Residents, providing a constant level of care. We have special assistance teams to help with feeding and whirlpool bathing.

Emergency Services

We have professionally trained staff ready to assist our Independent Living Residents in case emergencies arise and need immediate attention.

Dietary and Nutritional Services

The Dietary service is managed by Certified Dietary Managers in cooperation with a consulting Dietitian. Menus are nutritionally adequate and offer a wide variety of healthy meals. Special dietary services are available for residents on restricted diets or have specific food allergies.

Medical Services

Arrangements are made for Residents to receive regular care from local professionals representing many medical specialties in nearby Mebane, Graham and Burlington and Surrounding counties.

Hospice and Palliative Care

Providing medical, nursing, and emotional/spiritual support in addition to care received from facility staff.

Pharmacy Services

In order to make life more convenient for all the Residents, Pharmacy services are available to everyone at the Home.

Beauty Salon

A beautician comes on a regularly scheduled basis to keep Residents looking their best.

Laundry Services

Laundry services for personal items of clothing are offered for a reasonable fee.

Rehabilitation Beyond the Patient

Our team of professionals understands that caring for someone with disabilities is challenging. We will take steps to educate and guide you through your role as caregiver, as you adapt along with your loved one in their change in functional abilities.
